*It appears that the road on the Kodikanmer Tank bund is a Provincial Road and not a D. Road. If so, the widening of that road is not a Dist Fund work.

Letter No.C.145 dated 30th November 1908, from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore.

--- -----

Adverting to your office Memoranda noted in the margin, allotting certain sums for sinking dringing water wells, Takavi and other loans and advances to ryots for earth work to minor tanks and with reference to my letter No.C.143 dated the 20th instant (para 22), I have the honor to request that, under the peculiar circumstances of the District therein stated, you may be so good as to arrange for a further allotment of funds for the several purposes, as noted below:-

1. For drinking water wells, from Local Funds General.	...	Rs.10,000
2. Takavi and other loans	...	" 10,000
3. For 3 special works -		
i. Widening out bund of Kodikanmur tank, Kolar Taluk. Estimate Rs.6,000	...	" 2,000
ii. -do. -f Lakshmisagara Tank, Sreenivasapur Taluk. Estimate Rs.3,000	...	" 1,000
iii. -do.- of Sadali tank, Sidlaghatta Taluk Estimate Rs.8,121.	...	" 2,000
4. For relief to weavers etc.	...	" 2,000
Total.		Rs.27,000

I may here add that item No.3 is a District Fund work, but you are not unaware of the slender resources of the District funds to meet such large works, which for some time have been of a pressing nature, and which the District Board have been unable to take up. Considering the importance of widening the bunds of the said tanks, over which the main roads of the District pass, I beg to state that they may well be subsidised by the Local funds General, to the extent asked for, to afford labour for the working classes in those localities, where there is dearth

1. The proposed works are sanctioned @ 24th Dec 08 and should be started in due course

2. Govt observe that the road on the Kodikannur Bank-bund is a Provincial road and arrangements should therefore be made to debit the cost of widening it to the P.W.D. Here is not likely to be much difficulty for the Dt funds to meet the cost of the other 2 works if the Dt Fund Board will approve them, as the estimated closing balance for the current year exceeds the minimum required by nearly Rs 24,000. In that case no additional grant from the L.F. Govt will be necessary. Otherwise their cost may be debited to L.F.
